EVEREST: IT'S NOT ABOUT THE SUMMIT (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Truly Inspirational! Epic! One of the Best! Amazing Read! This Everest Book Tops them All! Everest: It's not about the summit is a remarkable account of a lifelong goal altered in tragic circumstances two years running by the two worst disasters in Mount Everest's history. Throughout it all Ellis Stewart shows a sense of humility and compassion sharing a heartfelt and emotional twenty year journey. From the streets of northern England through to the valleys and high mountains of Nepal, Stewart shared his story with thousands of followers on social media, winning over the hearts and minds of many. A ground swell of support sent Stewart to achieve his dream, not once but twice. Nobody could have anticipated the events that would follow. Events that would define Stewart in ways he couldn't possibly have imagined. Stewart is not your stereotypical mountaineer. Through the steps he took and his entrepreneurial spirit he was able to fund almost entirely the costs for two Everest expeditions without corporate assistance. In the summer of 2015 Stewart began to write his story of being caught up in these two tragic seasons on Everest. In this very book, he writes very candidly about not only his experiences on the mountain but also what drove and propelled him towards Everest in the first place. Not able to entice a publisher to take the project on, Stewart wouldn't take no for an answer and decided to self-publish the book. After launching a massively successful crowdfunding campaign Stewart was able to pay the editing and printing costs to release this book as a paperback, which he did to rave reviews in late 2016. Due to popular demand Stewart launched another campaign to bring the...
