By -

Penguin Books Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English. Brand new Book. About 1,000 years ago, there were men called knights. They lived in castles. It took many years to become a knight! Ladybird Readers is a graded reading series of traditional tales, popular characters, modern stories, and non-fiction, written for young learners of English as a foreign or second language. Beautifully illustrated and carefully written, the series combines the best of Ladybird content with the structured language progression that will help children develop their reading, writing, speaking, listening and critical thinking skills. The five levels of Readers and Activity Books follow the CEFR framework and include language activities that provide preparation for the Cambridge English: Young Learners (YLE) Starters, Movers and Flyers exams. Knights and Castles, a Level 4 Activity Book, is A2 in the CEFR framework and supports YLE Flyers exams. The activities encourage children to practice longer sentences with up to three clauses, more complex past and future tense structures, modal verbs and a wider variety of conjunctions.
