Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Cabins & Cottages For many the only way to go with housing is up: more rooms, more space, and more stuff to fill it all with. The only reason to save money is for them to get themselves into further debt to finance that huge house on the hill. More and more though, people find that the bigger house doesn't give them a bigger life or any more satisfaction while they're living among all the empty rooms. What once seemed to impress their friends and neighbors now seems over the top in a world of minimalist designs and real environmental concerns. Recent trends are favoring smaller, more compact and more self-conscious living. These homes are full of character, they are highly personalized, and they are driven by design and utility instead of might and size. In Cabins, Cottages and Teeny Tiny Living you will be introduced into the world of smaller homes and all that they can offer you. Whether you are looking for a small house, a shipping container home, a compact cabin, or even a tiny home you will be led with easy-to-follow and insightful advice that will take you from dreaming, to planning, to building your new small home with the bigger life. Cabins and cottages have long been seen as a cute dream or only suitable for a holiday home but this is no longer the case. By using special techniques you can create smaller and custom made homes with all the fun cabins and cottages can offer right in your home town. The stress of downsizing is no longer the burden it once was with the endless waves of innovation in the design world that allow you to have all the...
