

## Amenity Migrants: Seeking and Sustaining Mountains and Their Cultures (Hardback)

Filesize: 5.46 MB

### **Reviews**

*Basically no words to clarify. Of course, it is perform, still an amazing and interesting literature. Its been printed in an exceptionally basic way which is only soon after i finished reading through this ebook where actually altered me, change the way i really believe.*  
(Newton Runolfsson)

**AMENITY MIGRANTS: SEEKING AND SUSTAINING MOUNTAINS AND THEIR CULTURES (HARDBACK)****DOWNLOAD**

CABI Publishing, United Kingdom, 2006. Hardback. Condition: New. Language: English. Brand new Book. Places with perceived high environmental quality and distinctive culture are globally attracting amenity migrants. Today this societal driving force is particularly manifest in mountain areas, and while beneficial for both the new comers and locals, is also threatening highland ecologies and their human communities. This book describes and analyses the challenges and opportunities of amenity migration and its management, and offers related recommendations. The book's chapters cover the subject through case studies at international, regional and local levels, along with overarching themes such as environmental sustainability and equity, mountain recreation users, housing, and spiritual motivation. A crucial issue addressed is the relationship of amenity migration to tourism, and migration motivated by economic gain. The introduction and concluding chapters bring all of the information and analyses together strategically, summarising in a manner of theoretical and practical value for both academics and practitioners.
